Spiritual Being

You are a spiritual being in a flesh body.

Spiritual Being from the Greek Concordance;

G4151 Greek: πνευματικός Non-carnal that is (humanly) ethereal (as opposed to gross) or (daemoniacally) a spirit (concretely) or (divinely) supernatural regenerate religious : - spiritual.

Your life should flow from your perfectly created spiritual soul with the controlled -awareness of all thoughts and actions into the world. Your life should flow from your heart-soul and not from your ego-mind.

You are not living from a flesh body into a spiritual being……...or are you?

That being said; *The spiritual world can not in any way flow from the flesh world into the spiritual world.*

When the flesh dominates the spirit, life becomes challenging because the spirit is love-God and dominates the soul when allowed too. By way of awareness, the flesh is recognized as weak and the focus on life is through love and not mind-ego.

When the soul operates from the ego-flesh-world all aspects of life becomes defensive.

Regenerate is reformation or religiously reborn according to the Greek Concordance and divinely supernatural.
